Howling Good Time

After all, I
had done my
good deed
for the day.
And Dania,
all dolled up
for work, had
been most
appreciative.

We stepped out of the curtained stall, Deedee and I, freshly scrubbed and ready for bed. A restorative shower had done my aching body a world of good. Unfortunately it hadn't done a damned thing for my bruised ego.

The late afternoon fight had been a disaster. I had won, yeah, but not the way I had hoped. A technical knockout in the seventh round had saved me from certain defeat. Up until then I had been getting my ass kicked; my good friend and training partner, Paulie "The Powerhouse" Polito, had used and abused me like nobody's business.

Then came the pivotal seventh round. Having just landed a wicked hook to my chin, Paulie suddenly wrapped his arms around me, clinching for all he was worth. It was a totally unexpected and nonsensical move. I mean, there he was, having his way with me, then all of a sudden he goes into a completely defensive posture; as if I was the one who had been battering his brains.

Things got even more confusing when he bit my ear. Of course the referee saw this. Pushing us apart, he called the fight right then and

there, awarding me the victory by TKO. Why Paulie had thrown away the fight like that was beyond me. His was the move of a hapless and frustrated fighter on the verge of losing; certainly not what one would expect from a superior opponent destined for victory. I found the whole thing baffling and, truth be known, more than a little unsettling.

"I still don't get it," I said, inspecting my ear in the medicine chest mirror. "Paulie had the fight wrapped up. You saw it, baby. I was burnt toast. Why in the world would he throw it away like that?"

"Your guess is as good as mine," Deedee said. "Who the hell knows? Maybe he was hungry."

"I'm serious, Deedee. It doesn't make a lick of sense."

"Be glad it wasn't worse, Joey. At least you didn't have to get stitches."

Deedee was right. It was a minor bite. After cleaning the wound in the locker room, my trainer had applied some antibiotic ointment and declared me good as new. Still, I was rattled by the strange turn of events.

"I hope he isn't losing it," I told my girlfriend. "Fighting scrambles your brains. Next thing you know he'll start getting lost on the way to the gym."

"Stop worrying about Paulie," Deedee said over my shoulder, "and start taking care of me."

She wrapped her slender arms around my midsection. I had trained long and hard for the fight. I had abstained from booze and cigarettes and even sex. Deedee, ever the devoted girlfriend, had been supportive and patient.

Clearly, she was ready to make up for lost time.

And I was too.

The fight had left me tired, sure, but Deedee's touch energized me in a big way, me and my cock . . .

Deedee lay on the bed, her legs spread as I pressed my lips to her cunt. I inhaled her scent. She moaned when I put my tongue to work. I licked her moist slit. Then I

worked on her clit. She tasted wonderful, like some sort of exotic candy.

It wasn't long before she came. Deedee had always complimented me on my oral skills. Truth be known, she had taught me everything I knew about proper pussy eating.

"That was awesome," she said dreamily.

"I had a good teacher," I said.

Knowing she would want to return the favor, I lay beside her. True to form, Deedee began by stroking my cock. She slid her hand up and down my stiff shaft; this as she melded her lips to mine.

I was harder than a hammer when she finally went down on me. Deedee gave spectacular head. I groaned delightedly as she sucked my dick with her usual topnotch skill. Her full, juicy lips glided up and down my length as she peered at me with her striking brown eyes. Long raven hair framed her perfectly proportioned face. She was truly something to behold. I was one lucky man, for sure.

In time she raised her head and said, "Can I ride this hard cock, baby?"

"What do you think?" I asked.

She smiled, turned around, and proceeded to impale herself reverse-cowgirl style. I held her curvy hips as she commenced to riding me. Her ass looked wondrous down there, gyrating and pumping. Her spine ramrod straight, she rode me hard and fast.

Deedee's tight pussy clenched my rod. Digging my fingers into her fleshy hips, I thrust repeatedly; my motions complimented hers as we worked in tandem, two lovers with a singular purpose.

She came shortly before I erupted inside her. We fell asleep almost immediately. What with the fight and all, it had been a very long day.

Deedee slept peacefully beside me as I rolled out of bed, plucked my cigarettes and matches from the

nightstand, and went out on the fire escape for a midnight smoke.

I hadn't had a cigarette in quite some time. It was everything I knew it would be. I took long, contemplative drags, pulling the smoke deep into my lungs. I regarded the alley below. A full moon bathed the litter-strewn pavement.

Despite winning the fight in a less than convincing fashion, I felt relieved—at least in a practical sense—to have walked away with the prize. Deedee and I desperately needed the money. Ours was a constant struggle to make ends meet. I was lucky to have her. She could have enjoyed a much more comfortable lifestyle with somebody else. But she had chosen me, Joey Caniglia, a two-bit palooka from the wrong side of the tracks.

Finishing my cigarette, I flicked the butt over the railing, then turned to go inside. Moonlight splashed across my forearm . . .

What the hell?

Even with the moon it was dark out on the fire escape, though not dark enough to conceal the hair on my arm.

A lot of hair.

I did a double take, gasping as I examined my rapidly changing body. Rooted to the spot, I watched every inch of my skin yield to an epidemic of dark brown hair. Even my underwear failed to contain the coverage; the shorts split at the seams as the hair became thicker and thicker.

In a state of panic, my breathing ragged, I slipped inside and went straight to the bathroom. Locking myself inside, I stood there at the sink and stared at my reflection. And what a reflection it was . . .

"Oh shit," I muttered.

It was official. No ifs, ands, or buts. I was a fucking werewolf!

Above all else I feared for Deedee; in my new state I fully expected the onset of an unquenchable bloodlust resulting in my sleeping girlfriend's death.

Still standing there in the bathroom, I regarded my hands with a sinking feeling. Long, sharp talons extended from my fingertips. My reflected smile was a fanged nightmare. The prospect of ripping my girlfriend to bloody shreds was too much to bear.

I had to get out of there, had

to put as much distance between Deedee and myself as possible, before I was seized by an unstoppable urge to kill.

I bolted from the bathroom and returned to the fire escape, catapulting myself over the railing with remarkable strength and agility. I landed in the alley, four floors below, with the grace of a cat. Navigating the urban squalor, I made my way to Paulie's place six blocks away, keeping to the shadows.

My longtime friend and training partner had some serious explaining to do.

Paulie lived with his wife Rosemary in a basement apartment near the elevated line. The tracks were unused at this late hour, making for an eerie silence as I surveyed the scene. A plump wharf rat skittered across the street; I half-expected to attack the thing; thankfully there was no desire to do so.

Thus far my transformation seemed limited to my appearance, strength, and dexterity. My mind was unchanged. I still had all of my faculties. I was still Joey Caniglia, a two-bit palooka.

The orange tip of a cigarette betrayed Paulie's presence. As I got closer I saw that he, too, had been transformed into a werewolf. The full moon gave no quarter to our kind.

"What took you so long?" he asked me.

"I'm gonna' kick your ass, Paulie! I'm gonna' rearrange that ugly mug of yours so that not even your wife will be able to recognize you!"

"Calm down, Joey. I can explain everything."

"Some friend you are." I got in his face, my hairy visage inches from his. "Why did you do it, Paulie? Why did you bite me? You deliberately infected—"

"To save my marriage."

Had it not been for the talons I would have balled my hands into fists. I couldn't believe it. Paulie was going to try to talk his way out of this on, try to justify turning me into

a werewolf.

"I did it for Rosemary," he told me. "She's got a thing for werewolves, a serious thing. She can't get enough of my hairy cock, Joey. Now she wants two of them."

"And you chose me," I said.

"I didn't choose you, Joey. Rosemary did. She always thought you were cute."

He dropped his cigarette, mashed it into the pavement with a hairy foot. The talons on that foot were just like mine, long and sharp.

Paulie said, "This whole damned thing started a few months ago when I went camping upstate. I was attacked, Joey. Luckily it was a small one. I fought the damned thing off; got out of there with nothing more than a few scratches and a minor bite on my arm. But that's all it took. The shit hit the fan with the next full moon."

"Have you killed anyone?"

Paulie shook his head. "Ours is a relatively weak strain. I've never harmed a soul, never wanted to."

"That's a relief."

"Anyway, Rosemary found out soon enough. And it wasn't long before she demanded that I fuck her as a werewolf. I declined at first. But then she cut me off completely, so I agreed to do it . . ."

"And now she wants to double the fun," I stated the obvious.

"You guessed it."

"Shit, Paulie, this is fucked up."

"I'm sorry, Joey. Really, I am. I don't blame you for being pissed. Hell, you probably want to kill me. Of course I hope you won't. I hope we can make this thing work, the three of us—you, Rosemary, and myself. It'll be our little secret. Unless you think Deedee—"

"No way," I said resolutely. "I'm not about to bring Deedee into this. Forget it."

"Suit yourself."

Paulie and I shared a cigarette; then we went inside and fucked the shit out of Rosemary. As a werewolf I had much more stamina. The same could be said for Paulie. We must've screwed his wife for hours.

Strangely enough, it was some of the best sex I had ever had.

I tried to hide my secret from Deedee but she eventually found out. It wasn't long before curiosity got the best of her and she asked me to fuck her in werewolf form. How could I refuse my loving and loyal girlfriend? Now we do it whenever the moon is full. Sometimes we even go over to Paulie's place for a foursome.

Talk about a howling good time!

LAYERS OF LAUREN

Looking at Lauren you might see little more than an incredibly sweet and sexy babe. Like any good cake there is more than meets the eye. Slipping out of sheer sleepwear shows off a delectably enticing body, fit for any type of play. Her playful titties bouncing out of their cups. Her juicy pussy ready for as hard of sensual a pounding.

Spiked Punch

The guys were the first with fewer inhibitions, but the chicks didn't wait very long before following their lead.

No one admitted to knowing how things got started. A couple friends said the music was responsible for the thumping tunes. Some others said it was some sort of spell. I'm pretty sure I saw someone pouring something into the drinks. Whatever it was, it was effective.

The party itself was a low-key affair, just a dozen or so friends enjoying the break before exams. We had a few drinks, but it wasn't until late, about half an hour after someone messed with the drinks, when the heat turned up. It was like a wave passing through all of us. It was suddenly warm and felt like we had to start pulling off our shirts. The guys were

the first with fewer inhibitions, but the chicks didn't wait very long before following their lead. And with most of the chicks not wearing any sort of bra or anything, things got steamy quickly.

After a few minutes, the heat didn't feel like it was com-

ing from the drinks, but from the bodies that were starting to press closer together. My buddies and I weren't sure exactly what was happening, until one of them, I forget who, reached out to grab the first girl next to him. She smirked and pulled him close by the back of his neck to start making out with him.

As soon as the bubble burst, the entire party

seemed to switch on in an instant; several people unsure of what to do suddenly seemed to have no problem with where everything was headed. Piles of flesh started to form as bodies came together. Shorts, underwear, bikini bottoms, and everything else that got in the way was thrown aside. Pairs groped at each other, while triples and quads came together with girls going between a dick in each hand. Others walked around, leaving a kiss here or there, and occasionally joining a group long enough to get their dick sucked or their titties fondled and worshiped.

I walked around, stroking my cock as I found different groups to satisfy. There was one girl who was massaging a dick with her mouth and a pussy with her feet. Another guy was rubbing his cock through a chick's boobs, and I eventually found myself surrounded by three girls who'd been making out with each other.

I fell back on the couch they guided me to, their hands all over me as they made my cock part of their makeout. All three of their tongues lashed and whipped around the head like they were fighting over it, quickly finding the light coats of precum already oozing out.

They laid me back. The moans from around the room were getting louder, and the slaps of flesh were becoming more rhythmic. It was getting heavier. Looking around, I could see that several of the guys had found a girl to start banging, with a few staying around their mouths for a spit roast. My girls, though, still wanted my attention. One of them found her way onto my lap, letting my dick slide

deep inside as she quickly started to grind my throbbing meat. The others sat on either side of me, their boobs in my face as they leaned forward to lick the third's chest themselves.

I was kept buried away, hidden behind their enormous chests and bouncing boobs. Even then, I could tell that I was getting passed around like a piece of meat. One of them would slid off my cock while the next slid on with just enough tease time between them for my boner to thicken and throb with desire.

Each girl had their own way and style, and I was enjoying them so much that I tried to hold on as long as I could. Given how hot it was, though, it was inevitable that I ended up spraying a fountain deep inside of someone who quickly pulled off as several hands reached out to grab my throbbing cock, each one of the chicks taking their turn to milk it, sending me over the edge at least a couple more times.

When I finally calmed down, I had a girl I didn't recognize from earlier leaning against my side. I looked up and around. About half the room was already spent, and most of the rest looked close to, or in the process of, exploding. The smell of sex and pheromones was everywhere, and dozens of arms and legs were up in the air. Eventually, we calmed down from whatever heated us up in the first place, and we tried to figure out what had happened, but all anyone could agree on was that our next party would be a bigger and better sex party. We're planning on having twice as many people and enjoying each other all weekend long.

Analicious Christa

Christa and I are both married, but not to each other. It all started after we met online. As we got to know each other, we started to fall for each other. We decided we were both in losing relationships with our spouses. Then one day we decided to meet so we met halfway. Christa and I met that day at a hotel restaurant, just in case one of us got cold feet. But as soon as we got there we knew that we going to do it, so we skipped the meal and headed straight for the hotel room. After checking in as Mr. and Mrs. we went to the room and we started to kiss, Christa with her hand down my pants, and mine down hers. She was so wet that I slipped in one finger, then two with ease.

A few more minutes of groping and we started to undress each other and soon we were both naked. I pulled her over, then she pushed me down on the bed and started to suck my cock. She took more in her mouth than my wife. Then she wanted me to eat her shaved pussy, which I did for ten wet minutes. Then she pulled my head up and rolled me over and climbed on me and began sucking on my hard cock again. She put her smooth pussy on my face and I continued to eat her out as she sucked my cock. I put both hands under her hips and lifted them a little and slid my mouth from her pussy and started to rim her. Christa loved that so much, she decided that she tried to pay me back by trying to take my entire cock deep down her throat.

We finished sixty-nining and she climbed on top of me taking my cock and guiding it into her love hole. After she finished teasing me, she started to slowly fuck my cock. I laid there and watched her bob up and down on it as her boobs bounced and her hair twisted around her head. Then she stopped and got off me and laid on her back and spread her legs wide. She rubbed her clit for a moment and told me to start fucking her again.

I positioned myself between her legs and slide my cock into her in one deft motion. After a few minutes of pumping her hard, I shot my first load all over her beautiful boobs. We took a break and then she started sucking my cock again and brought it from semi-limp to full raging hardon again. Satisfied with her effort, she got on all fours and told me to get behind her. I do that and now I'm on my knees as I watch her pull a tube of lube out of her purse and then asks me to put some on her asshole. So I did.

After a few minutes of fingering her asshole, she took my cock and guided slowly it into her ass. Then she wanted to get on me and have her sit on me with my cock still in her ass. She leaned forward, grabbed my ankles and pumped her hips up and down, giving me a great view of her ass swallowing up my cock.

I shot my load deep into her butt and after another short break and some cleanup, we started to 69 again. Her mouth was so warm and she always had the right pressure on my cock. She mumbled with my cock still in her mouth that I should cum in her mouth this time, and I did... three times!
